Chapter 447: The Fight to Flee

Thirst!!

You little...

The sand... This is bad!

The sand's sticking to me...

Aah !!

Gwaah!!

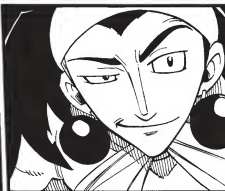

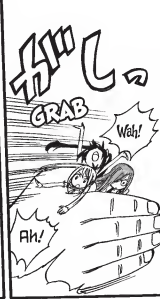

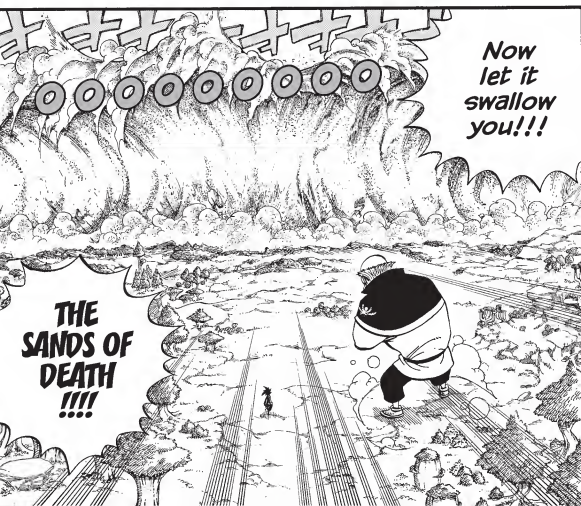

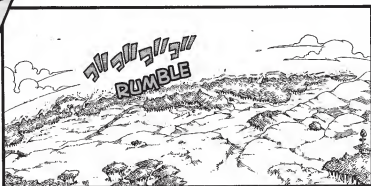

Whoa!!

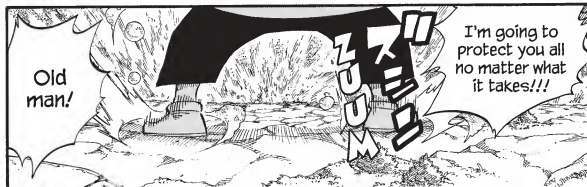

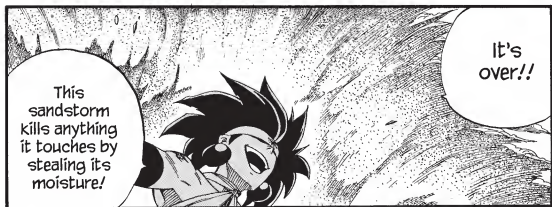

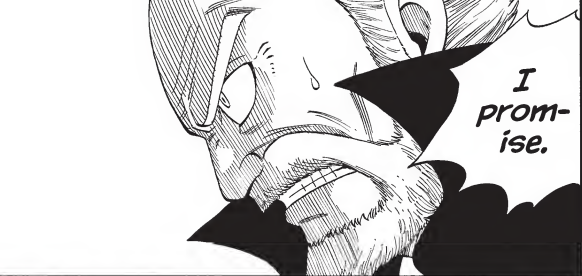

Whoops!

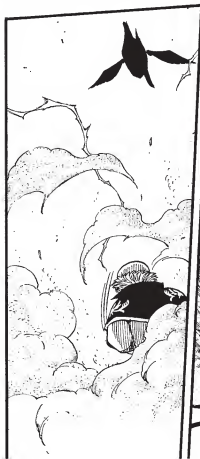

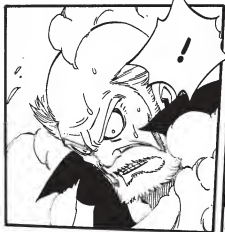

DWOOSH

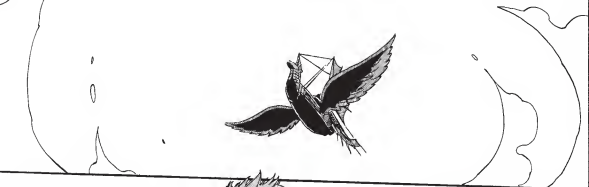

He always
did overdo
things.

Eeek!

He made
that enormous
sandstorm
vanish in a
single blow.

Cool!

Lexus!

Yer
lookin' old,
gramps.

Wait, that's
a ship! How
can Gajeel
and Lexus be
on it without
puking?!

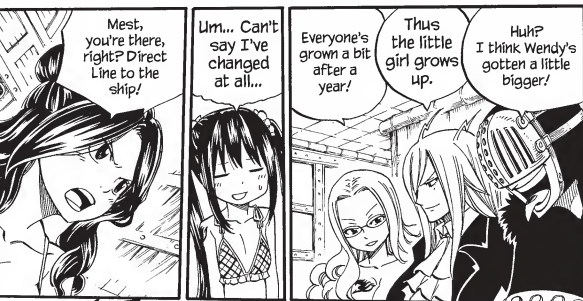

Gajeel?
Levy and Lily
too?

Y-You
all realize
this is *my*
ship...

Everybody
come
aboard!

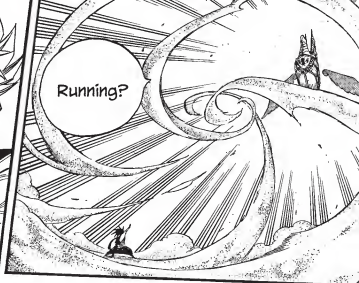

We're
pulling
out!

This is
enemy
territory.

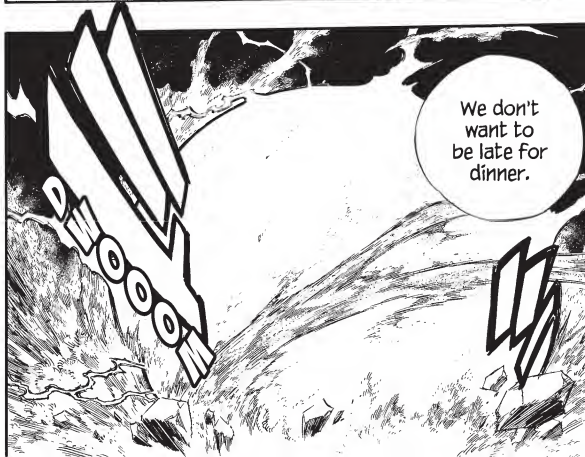

All we're
doing is
going
home.

Running?

We don't
want to
be late for
dinner.

GRAA

Whoa!

So that
barrier was
yours?

Are those
guys for

That was a
surprise...

Ajeel.

I would
grieve at
the loss
of any
companion.

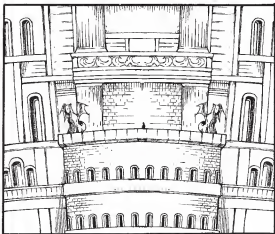

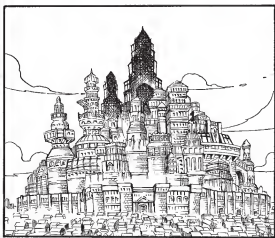

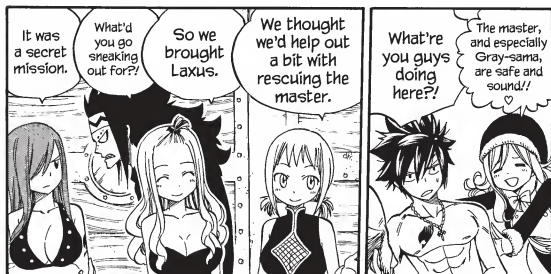

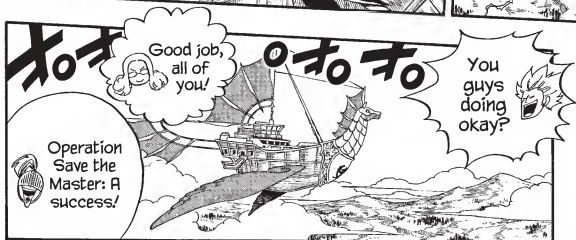

It has
begun,
Natsu...

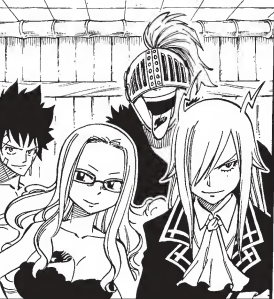

Yer
sayin' that
last attack
woulda done
me in?

I think
yer goin'
senile,
August.

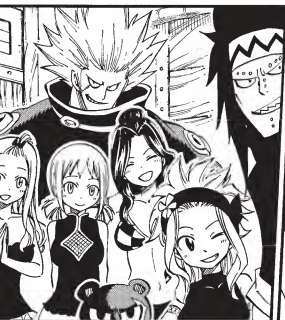

You
all...

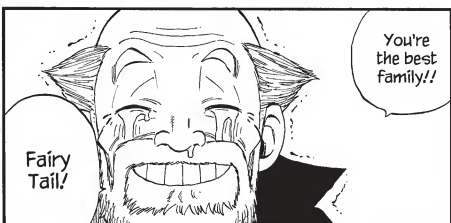

Shaddap!

Okay,
let's
fight,
Lexus!

This
boat's
great! I
don't need
to puke at
all!

I'm an
outsider
though.

Cheers

That

right...

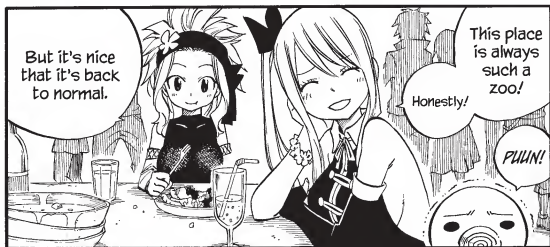

Makarov-
san!

Welcome
back,
Master!

Huh?
Erza's the
master now,
so...

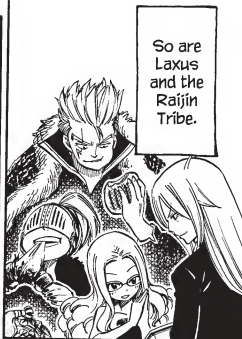

...there are wizards whose abilities go beyond what I thought possible!

In the Alvarez Empire on the western continent...

So are Laxus and the Raijin Tribe.

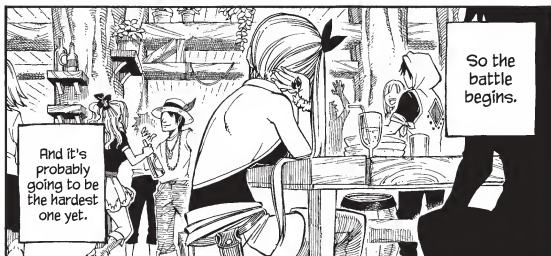

He's taken on the name Emperor Spriggan, and rules the empire.

And the Black Wizard Zeref.

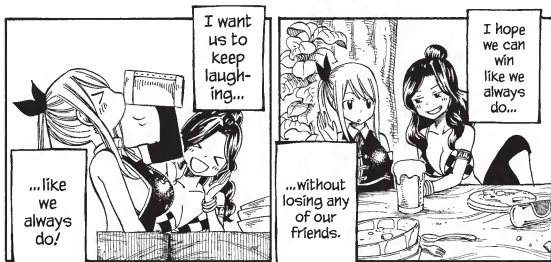

...the body of the first master. It's hidden beneath our guild hall.

He wants Lumen Histoire...

And it's probably going to be the hardest one yet.

So the battle begins.

I want us to keep laughing...

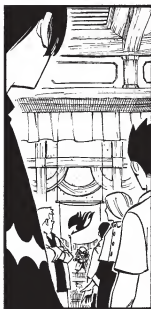

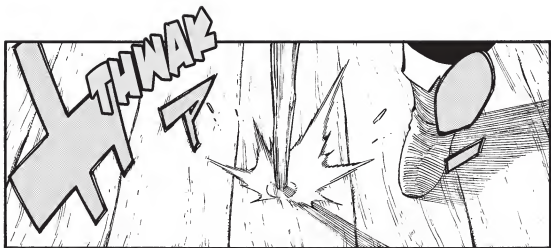

...like we always do!

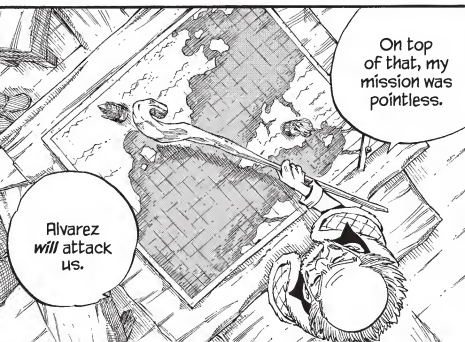

I hope we can win like we always do...

...without losing any of our friends.

At the time, that was my only wish...

ZURCH ズ!! ズ!!...

They're an enormous empire!

And they're going to send their forces against this guild.

Yeah?!
What about it?!

GRAAH

And the enemies have always been powerful!

Our determination to protect what's really important makes us strong!

How many times do you think we've fought for the guild so far?

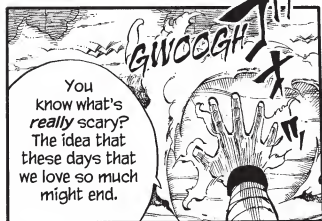

STOMP

STOMP

That fear is like
a burden we need
to get rid of, but
don't know how.

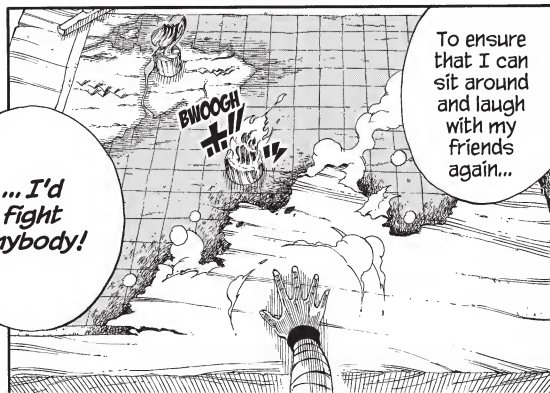

Sure, we're
scared!

You
know what's
really scary?
The idea that
these days that
we love so much
might end.

But...
everyone's
gonna help
out! I
know it!!

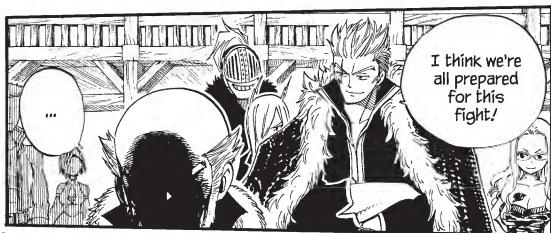

...I'd
fight
anybody!

To ensure
that I can
sit around
and laugh
with my
friends
again...

It ain't
about
winning!
We're
makin' a
stand to
keep on
living!

That's
what
we're
fightin'
for!!

**It's
time for
some pay-
back!!**

**They think
they can
threaten my
family?!
Well, we'll
make them
regret
it!!**

Was
that even a
question?

We're
going to win
this!!!

I'm all
fired
up!!!!

E.N.D....

Since
the
enemy is
Zeref!!

We cannot
afford to
lose this!

I'll protect
the guild this
time...for
sure...

Stop
that. It
stings.

I'm gonna
fight, too!

If it's us,
we can do
it!

Heh!

Yep! This is a great guild!!

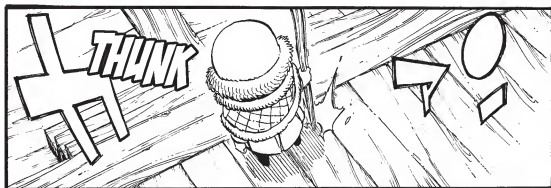

We've gotten so good, it'll blow you away!

That includes me!

Eh?! You trained, too, Mira-chan?

I want to show off my year of training!

SS

It's about Lumen Histoire. Or, by its official name, Fairy Heart...

Before the battle, there's something you all need to know.

I believe I should be the one to explain it, Sixth Master... Er, no, Eighth Master.

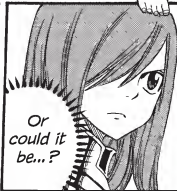

**First
Master?!**

Everyone
...

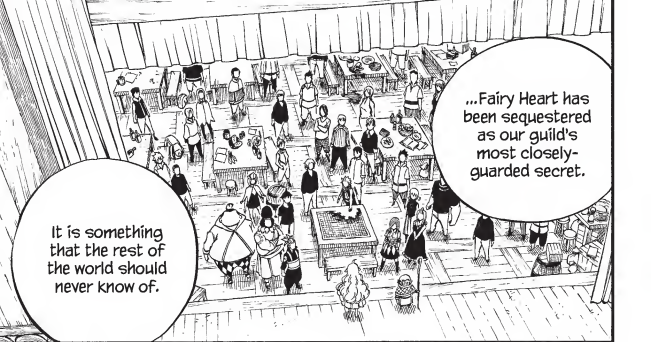

Or
could it
be...?

Is this the
spirit of
the first
master...?

ざわ...
MURMUR

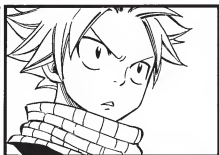

It is something
that the rest of
the world should
never know of.

...Fairy Heart has
been sequestered
as our guild's
most closely-
guarded secret.

However, there
are two things
I feel you must
know. Firstly, why
Zeref wants it
so badly.

No. It's
for the
best.

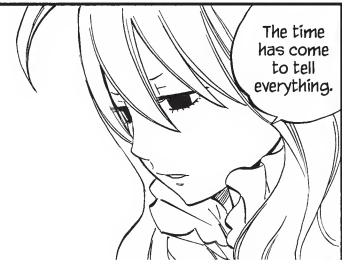

First
Master
...

Wrong-
doing?

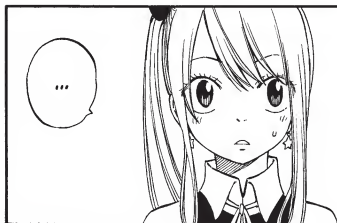

And
secondly, of
my wrong-
doing.

The time
has come
to tell
everything.

This is the
story of a
cursed boy
and a cursed
girl.

...

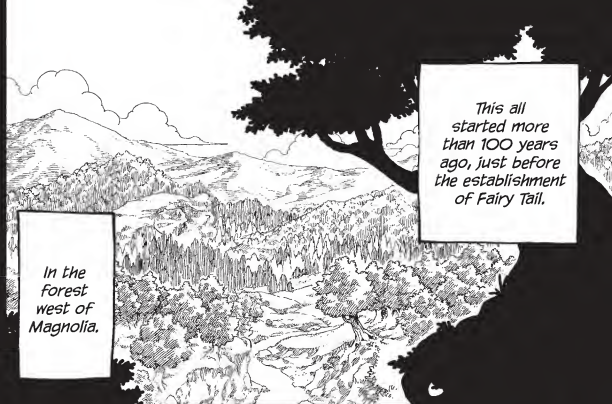

And a tale of
the singular
magic they
sought.

Chapter 449: Mavis and Zeref

*In the
forest
west of
Magnolia.*

*This all
started more
than 100 years
ago, just before
the establishment
of Fairy Tail.*

*I
happened
...*

*...to
come
across a
boy.*

...a curse in which he steals the life from the people around him, even against his own will.

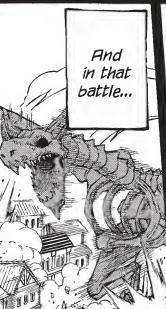

He was suffering under the curse of Ankh-selam...

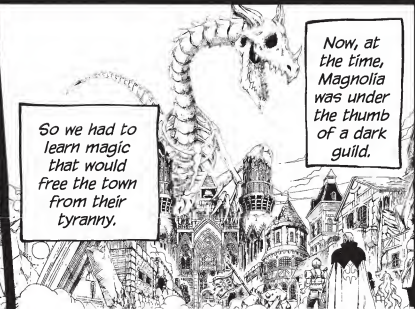

And he taught me a whole lot of magic!

But something about him drew me to him.

And in that battle...

So we had to learn magic that would free the town from their tyranny.

Now, at the time, Magnolia was under the thumb of a dark guild.

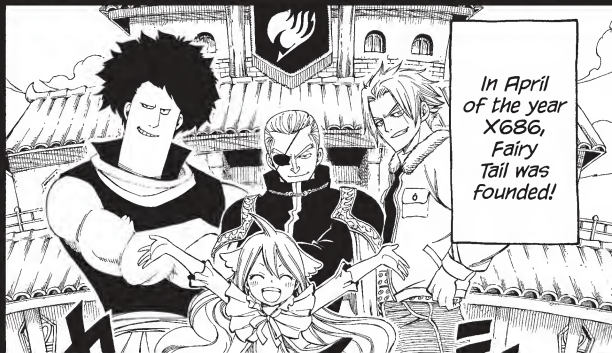

...we won
because I
used some
black magic
that wasn't
fully complete.

Still... at
the time,
I thought
nothing
of it.

The price
was that
my body
would never
mature.

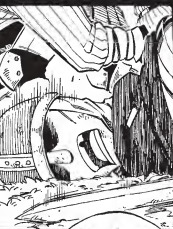

In April
of the year
X686,
Fairy
Tail was
founded!

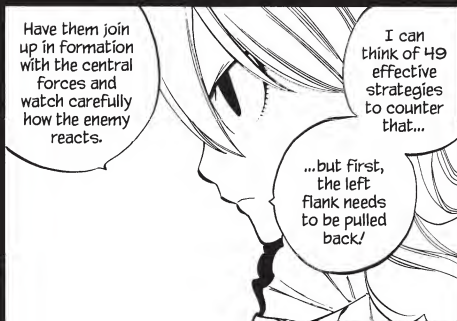

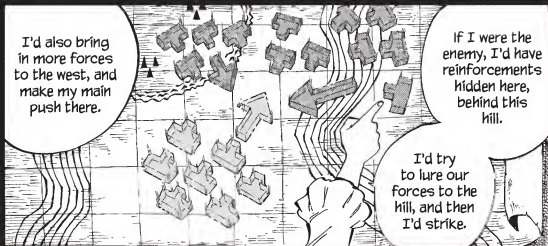

*That
year was
the start of
the Second
Caravan
Trade War.*

*Back then,
feudal lords
were fighting
brutal battles
over the
rights to
control trade
routes.*

*Eventually, the
wizard guilds
signed up as
mercenaries,
and now
wizards were
caught up in
the war, too.*

But her analysis skills are really something!

What "princess" is at home on a battlefield?

Warrod Sequen

(Later became the fourth most powerful of the Ten Wizard Saints.)

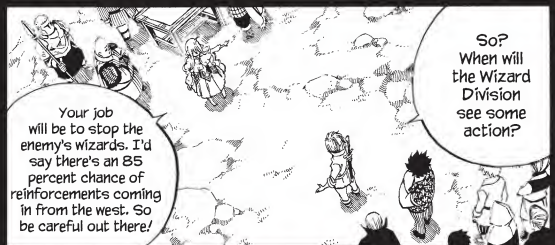

Precht Gaebolg

(Later became the second master of Fairy Tail, and much later, master of Grimoire Heart.)

Here she goes again!
Our little princess...

Yuri Dreyar
(Later, Makarov's father.)

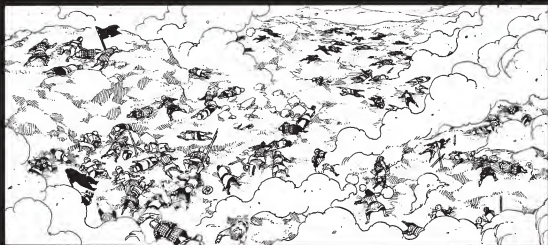

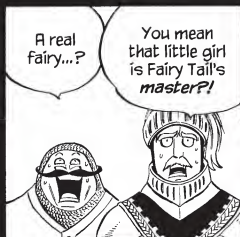

Your job will be to stop the enemy's wizards. I'd say there's an 85 percent chance of reinforcements coming in from the west. So be careful out there!

So?
When will the Wizard Division see some action?

Okay, ya jerks!
Ready to roll?!

Hm!

Right!
Now we get to have some fun!!

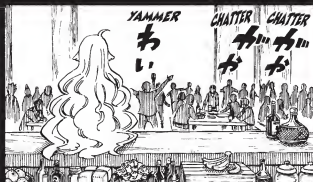

Cheers!!!

Go bring every bottle of wine we've got!!

And look at how much money we made!!

We won!!!

I was just wondering how many lives were lost on the battlefield today.

What's the matter, Mavis?

...

How long must this war go on?

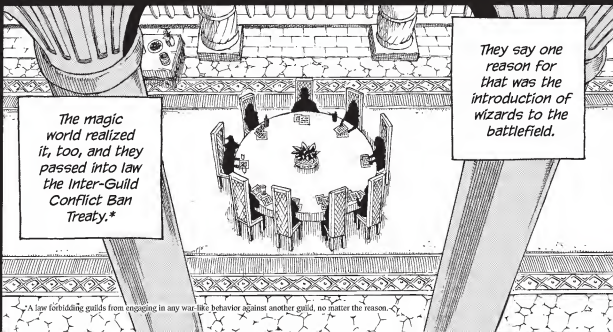

I want to
go back to
adventuring!

And not a
moment too soon.
The casualty rate
was already dozens
of times higher
than the first
war's.

In X690,
the
Second
Caravan
Trade War
came to
an end.

The magic
world realized
it, too, and they
passed into law
the Inter-Guild
Conflict Ban
Treaty.*

They say one
reason for
that was the
introduction of
wizards to the
battlefield.

*A law forbidding guilds from engaging in any war-like behavior against another guild, no matter the reason.

*Six years
later, in
the year
X696...*

*And for a
time, that
brought a
period of
relative peace
to the magical
world.*

*... I came
across
that same
young man
again.*

*It's you!
The black
wizard from
so long
ago!*

Mavis...?

Okay,
then...

Of course
I do!

Whoa!
Hold it!! Don't
you remember
the curse I'm
under?!

Wheee!!
♡

You
helped me
save my
friends'
lives!

You were
the reason
we won back
then!

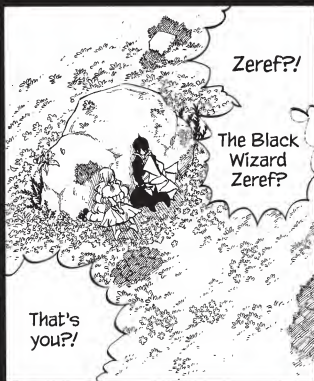

That's why I
didn't want
to mention
my name.

Yeah... Well... I
guess it's been
about that long.

But people
say Zeref is
300 years
old...

Zeref?!

The Black
Wizard
Zeref?

That's
you?!

Bad
rumors?

Actually,
those are
probably
true.

That
can't be
true!

You're
nothing like
the rumors
say!

So I don't
believe a
single word

rumors!

You've

kind eyes!

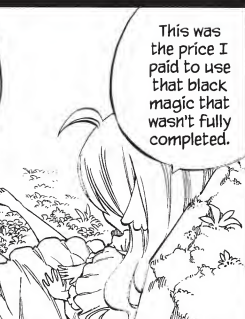

Well, it
has been ten
years, you
know.

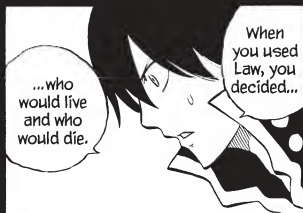

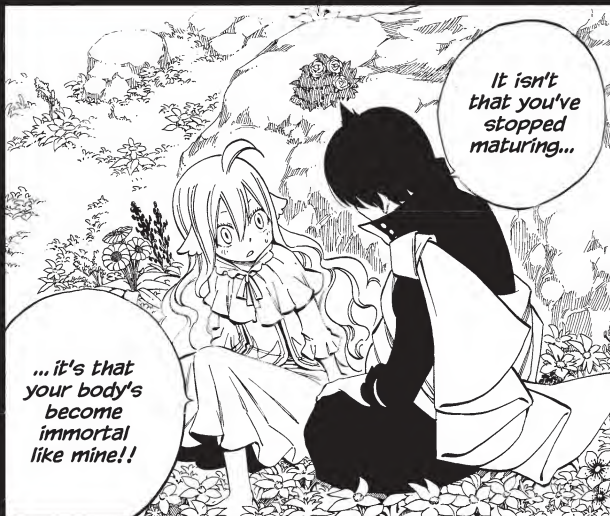

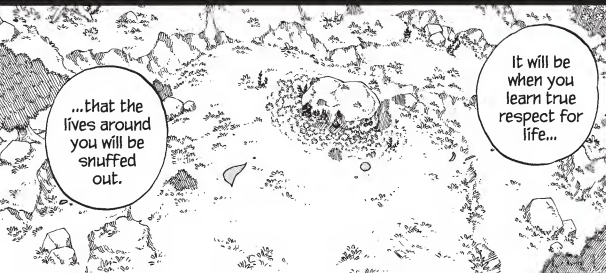

You're
a little
too open-
hearted.

That *kid*?
A father?

By the
way, do you
remember
Yuri? He's
about to be a
father!

Because
it's the
truth.

Why...do you
have to say
such cruel
things...?

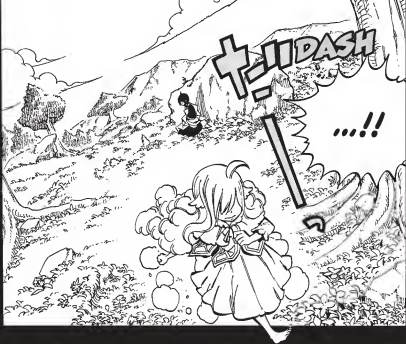

Maybe
now you
understand
the rumors
about me?

You... I
thought
you...

I was

X696, the
birth of
Yuri's son,
Makarov.

It's a
boy...?

Ooh!!

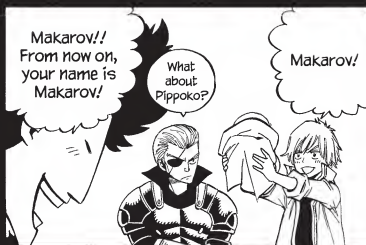

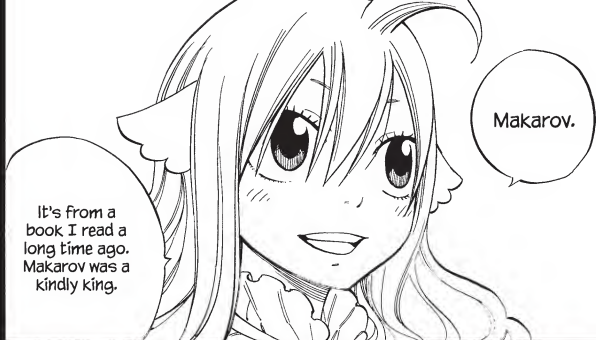

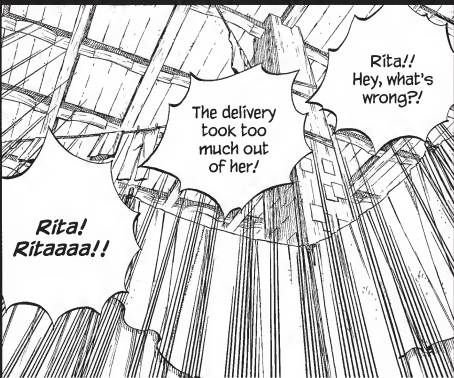

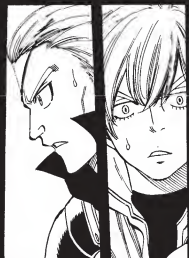

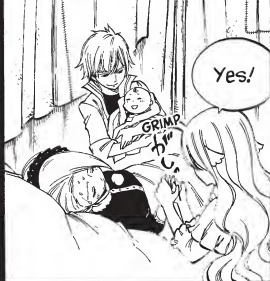

He's so
cute!

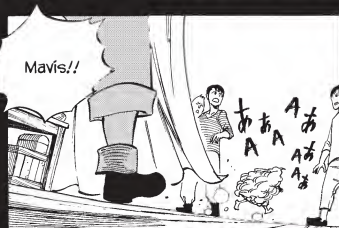

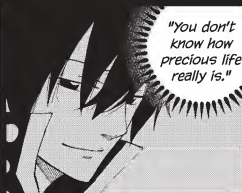

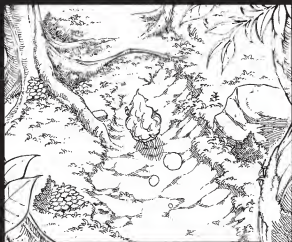

You did
wonderfully,
Rita.

If you
love no
one, no
lives
will be
taken.

It's a
curse of
contradiction.
The more you
love, the
more lives
you steal.

...and
even
humans.

...and
strips

It
dries

I just
wandered,

After that
day, I never
returned to
the guild.

That
was my
life for
about a
year. But
then...

I can't
tell you
how
many
lives I
stole.

You and I
have all the
time in the
world.

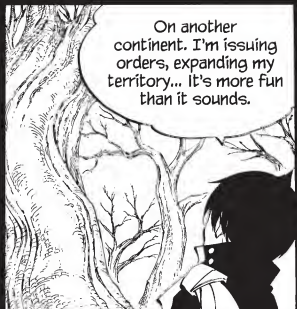

Although
they haven't
produced
the desired
result yet.

I used
some of mine
to create
demons called
Etherious.

Yes...
inhuman
beings, who
might have
the power to
kill me.

On another
continent. I'm issuing
orders, expanding my
territory... It's more fun
than it sounds.

A
country?

Presently,
I am
building a
country.

So
Ankhselam's
curse has no
effect. This is
just a simulation.
A game.

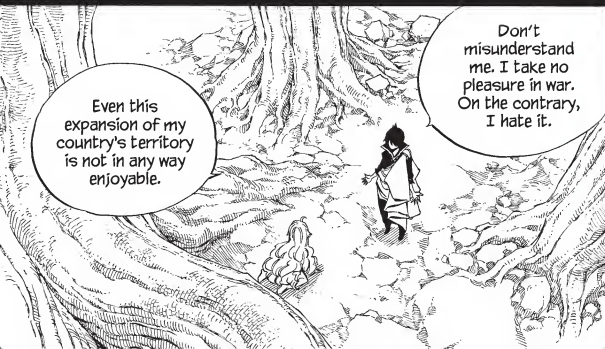

There, I am the
emperor, and the
people are units.
Yes. Just pieces on
a game board.

I'm
preparing
for battle...
maybe?

What
for?

Even this
expansion of my
country's territory
is not in any way
enjoyable.

Don't
misunderstand
me. I take no
pleasure in war.
On the contrary,
I hate it.

Are there contradictions even in his thoughts?

Oh?
Did I?

But...you
just said it was
more fun than
it sounded.

I want
to see my
brother...

No... I
want him
crushed!

That's
my purpose
in life.

I'm
living so
I can
die.

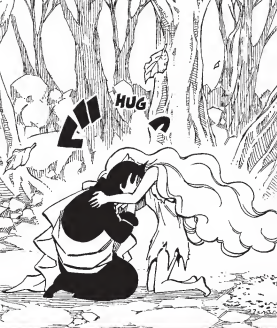

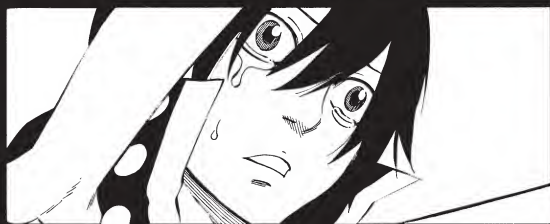

Zeref...

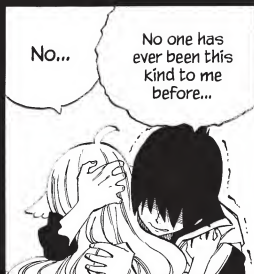

No, I
want him
to crush
me...

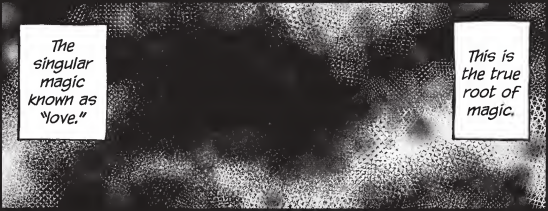

Huh?
My head
kind of...
hurts...

*The
singular
magic
known as
"love."*

*This is
the true
root of
magic.*

*And this
love between
the two of
us under a
contradictory
curse...*

*Love can
perform
miracles.*

*But at
times, it
can also
bring
sorrow.*

*This curse,
where the
more you
love, the
more you
steal life
away...*

*... brought
about con-
tradiction
in the end.*

*It had
granted me
immortality,
and yet it
stole my
life away.*

Chapter 451: Fairy Heart

What are
you doing
here...

Wait...
Is that
Mavis you're
holding?!

You're that
black wizard
who taught
us years
ago...

Yeah...
Everyone else
is making
preparations
for the harvest
festival.

Are...you
alone?

She's been
gone a
whole year!
We were
worried
sick!

Master...?
I see. This
was a guild,
wasn't it?

Ever since
Mavis vanished,
I've had to take
on the duties
of master...

H-Hey!!
How can you
treat her like
that?! She
isn't just
some doll!

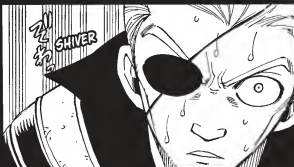

THUD

I've come
to return
Mavis to
you.

This thing
won't move
on its own
ever again.

Yes...
She's
entered
an eternal
sleep.

Mavis!!
Are you all
right?! What
happened to
you?!

Are
you just
sleeping?

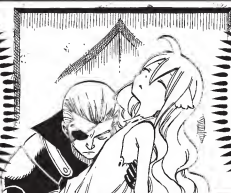

Are you
really
dead?

*I need to
revive her
now!*

No...
Her heart
still lives...
It's not beat-
ing, but I feel
faint traces
of magic!

I know
we have a lacrima
used for revival.
It should be in the
guild's basement
that's still under
construction!

*That's how
my body was
incased in a
lacrima.*

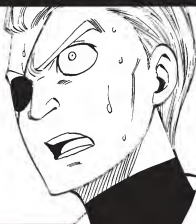

*...but none
had any
effect.*

*A number
of revival
magics
were tried
on me...*

*And the room
became off-limits.*

He figured out that I was under the curse of Ankhselam.

But there is a reason why Precht would go on to be called a genius.

Thus, I was kept a secret even from the rest of the guild.

The other guild members... can never know of this...

Don't tell me... she was the true cause behind Rita's ...

Sirius Island was not just my home, but where I first met Precht and the others.

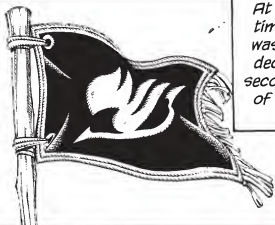

And an empty grave was arranged for me on Sirius Island, the guild's sacred ground.

In the year X697, Precht made the decision to tell everyone that I had died.

It was in accordance with a will I had left behind.

At the same time, Precht was formally declared the second master of Fairy Tail.

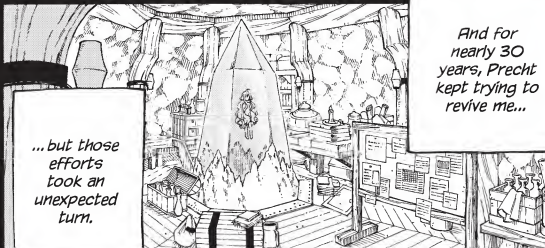

Three years later, in X700, Makarov's father Yuri passed away, never knowing the truth about his wife's death.

He carried out his duties as master...

...while also fervently searching for ways to revive me.

...but those efforts took an unexpected turn.

And for nearly 30 years, Precht kept trying to revive me...

...and the
preservation
of my
otherwise
immortal
body...

Precht's
rare
knowledge
and skills,
as well
as his
genius...

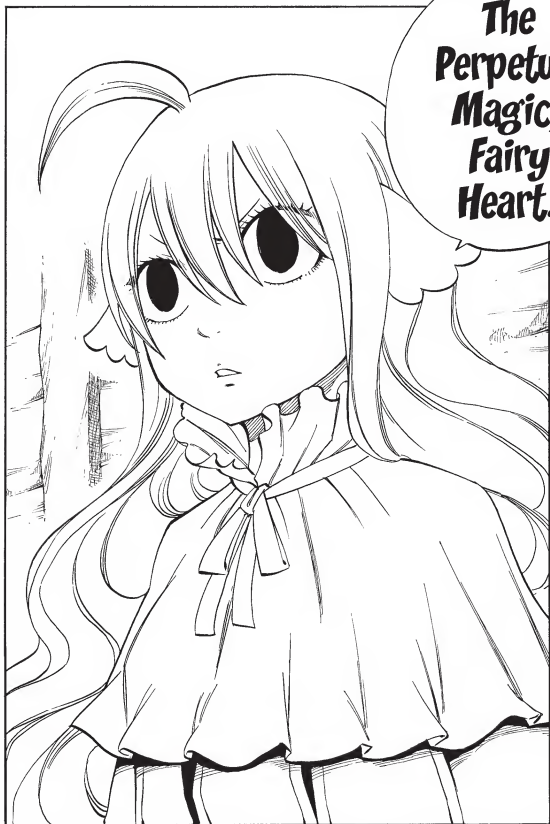

It gave
rise to an
inexplica-
ble magic.

...proved
to be a
dangerous
combina-
tion.

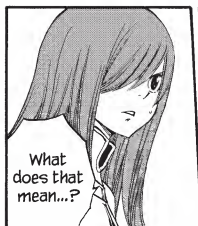

This
challenges
the very
foundations
of magic...

Wh-
What is
happening
here...?

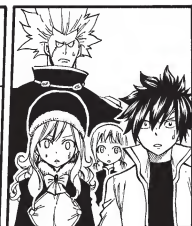

**The
Perpetual
Magic,
Fairy
Heart.**

What does that mean...?

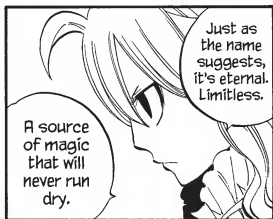

Perpetual... Magic...?

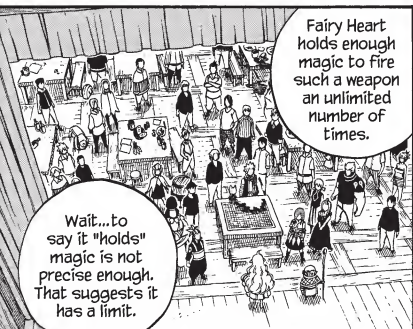

A magic generator that could go for a lifetime?!

What the...?!

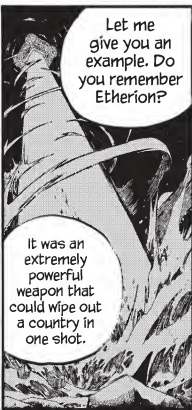

Just as the name suggests, it's eternal. Limitless.

A source of magic that will never run dry.

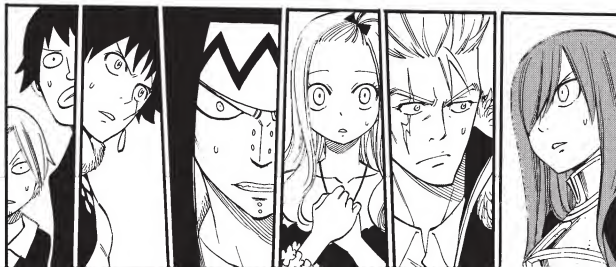

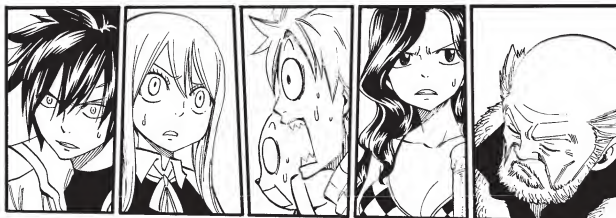

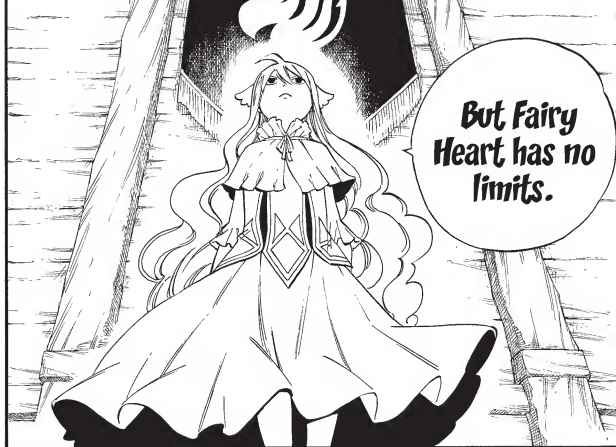

Fairy Heart holds enough magic to fire such a weapon an unlimited number of times.

Wait...to say it "holds" magic is not precise enough. That suggests it has a limit.

Let me give you an example. Do you remember Etherion?

It was an extremely powerful weapon that could wipe out a country in one shot.

And however the word got out, it made it all the way to Alvarez.

It's what my son Ivan wanted.

That *does* challenge the very foundation of the magic world.

If that magic ever went public...

They already have plenty of power themselves.

But why?

Alvarez is gonna attack because they want Fairy Heart?

You're kidding ...

To put it another way, you're saying that they can't defeat Acnologia without it?

Most likely, it is to defeat Acnologia.

Is it so amazing that it could just blow Alvarez and Acnologia away with one big bang?

Um... I've got a pretty simple question ...

Bang, like that?

One of the few things in Zeref's way.

...!!!

Imagine losing control of an Etherion with an infinite power supply... It would be catastrophic...

But let's say we do it, and win one battle. What happens next?

Some would certainly think so. I once thought about using it to defeat Face.

Yeah! Damn straight!!

Besides, it's the first master! We're not turning that over to anybody!!

Nothing is worth unleashing Fairy Heart on the world.

Our best weapon would become our worst enemy.

I'm sorry.

"Weapon"? "Enemy"? We're talking about the first master's body!

I had always hoped it wouldn't bring harm to the guild.

This magic came from my wrongdoing...

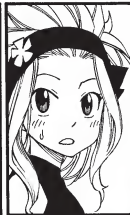

I ain't
gonna arrest
anybody for
that!

Where's the
crime in lovin'
someone
else?

What's
the matter
with you
jerks?!

GEH?

We all
want to
protect the
guild you
founded!

That's
why we're
ready to
fight!

First Master,
you're the one
who connected
us all!

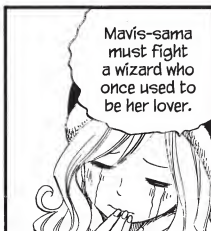

If it weren't
for you, Fairy
Tail wouldn't
exist.

And that
means we'd
never have met
each other!

First
Master,
please
refrain from
blaming
yourself.

Yes, a
bunch of
awful things
just kept
happening,
that's all.

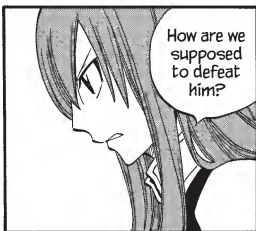

Will our attacks even hurt him?!

...Zeref himself is an immortal, correct?

But...even if we can manage to beat Alvarez's forces...

HEH HEH HEH HEH...

How are we supposed to defeat him?

?!

You just leave that part to me!

I can
take
Zeref
down!

I got
a secret
plan for
that right
here!!

Chapter 452: Prelude to the Final Battle

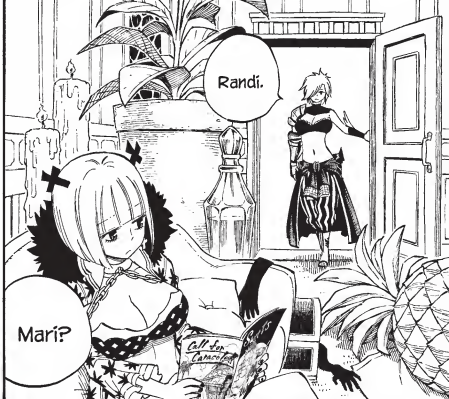

I heard you let
some enemies go?
Everyone's talking
about it.

Randi.

Marí?

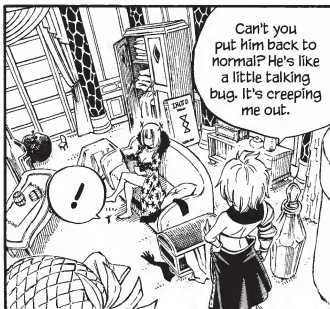

They were
a pain, so
I let them
be.

I let no
one *go.*

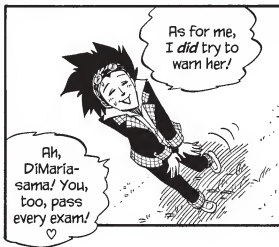

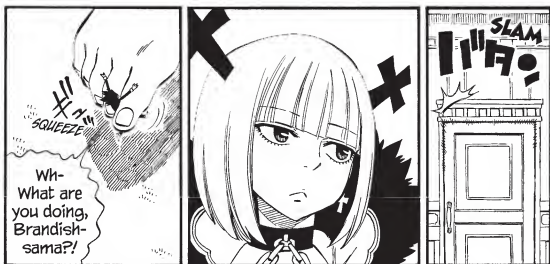

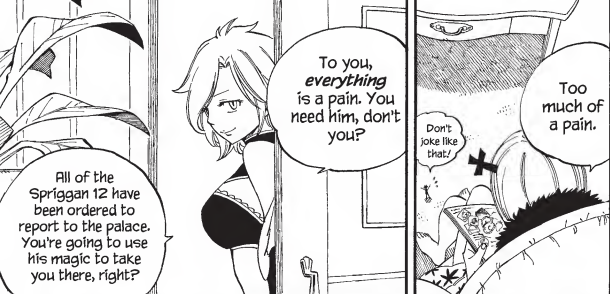

Can't you
put him back to
normal? He's like
a little talking
bug. It's creeping
me out.

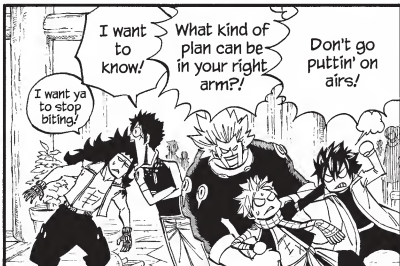

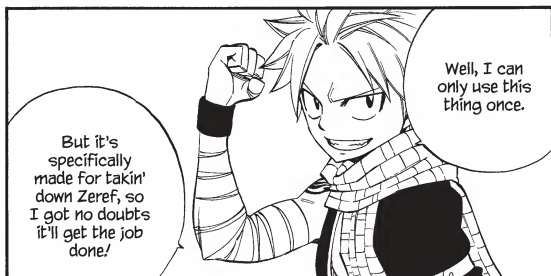

As for me,
I *did* try to
warn her!

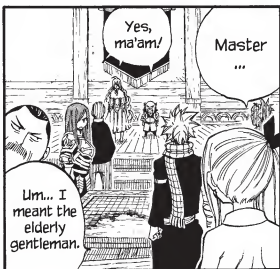

Ah,
DiMaría-
sama! You,
too, pass
every exam!
♡

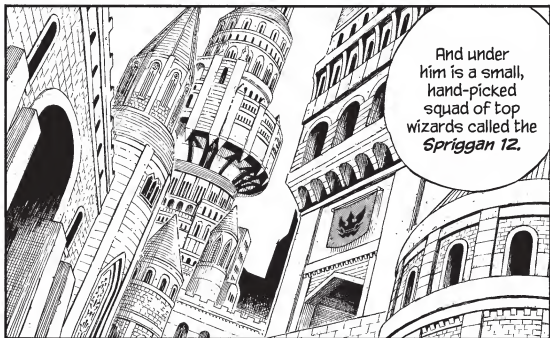

First, the
*Emperor
Spriggan*.

He's known in
Ishgal as the
greatest of
black wizards,
Zeref.

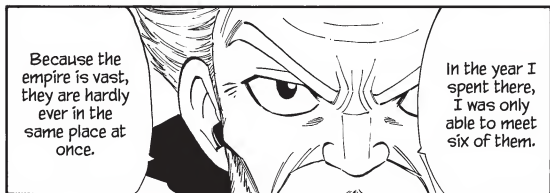

Hm...
I suppose
I should.

I can only
tell you what
little I know.

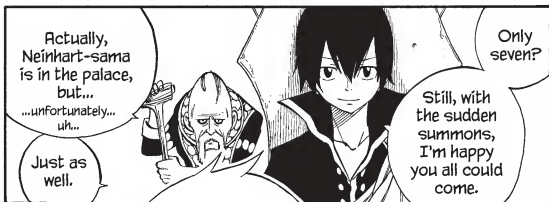

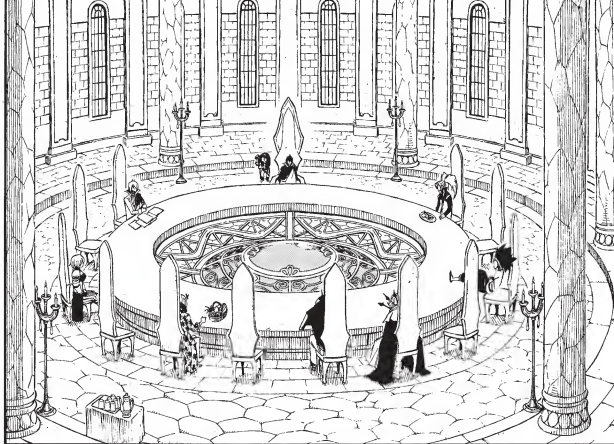

And under
him is a small,
hand-picked
squad of top
wizards called the
Spriggan 12.

Because the
empire is vast,
they are hardly
ever in the
same place at
once.

In the year I
spent there,
I was only
able to meet
six of them.

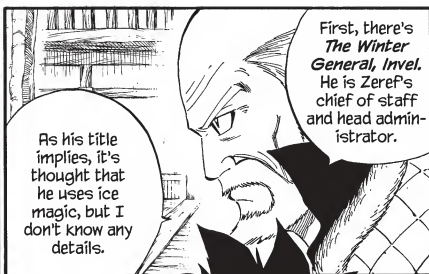

WINTER
GENERAL
INVEL

I beg to differ!
To defy a direct
order from Your
Majesty is a betrayal
of the name of
The 12.

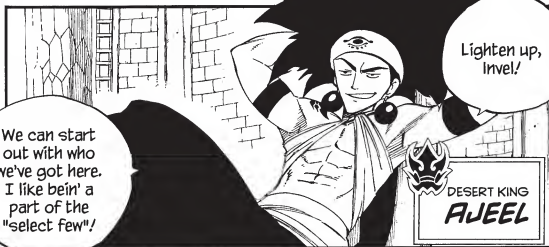

Ice...

First, there's *The Winter General, Invel*. He is Zeref's chief of staff and head administrator.

As his title implies, it's thought that he uses ice magic, but I don't know any details.

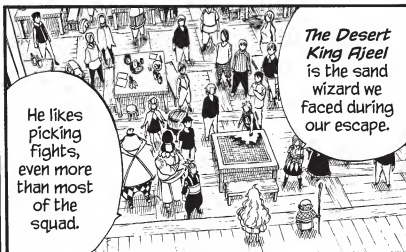

Lighten up, Invel!

We can start out with who we've got here. I like bein' a part of the "select few"!

DESERT KING
AJEEL

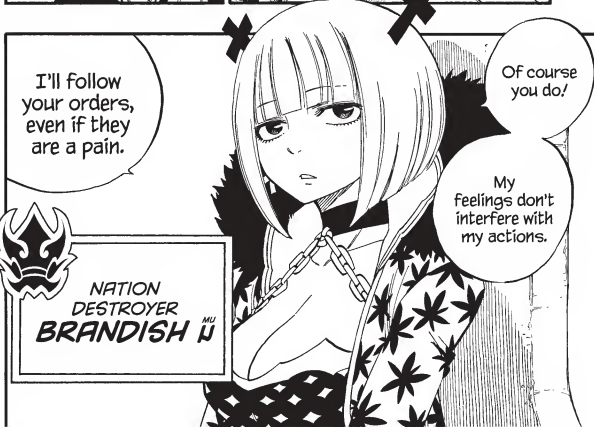

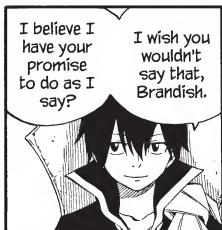

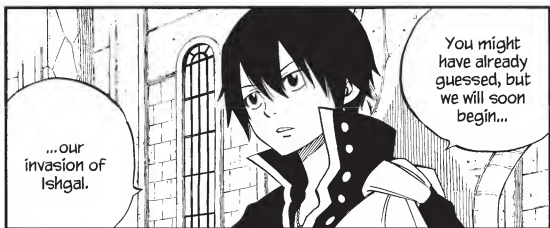

Oh, him...

He likes picking fights, even more than most of the squad.

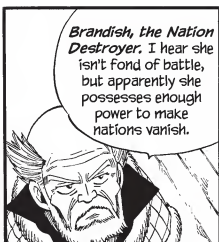

The Desert King Ajeel is the sand wizard we faced during our escape.

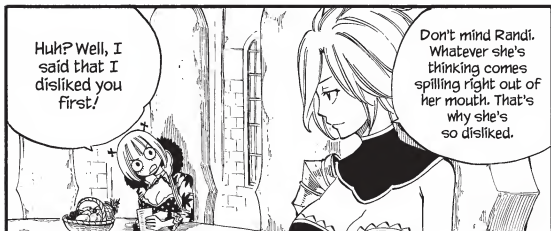

It is my theory that she has the power to change the mass of objects.

We came across her once on Caracol Island.

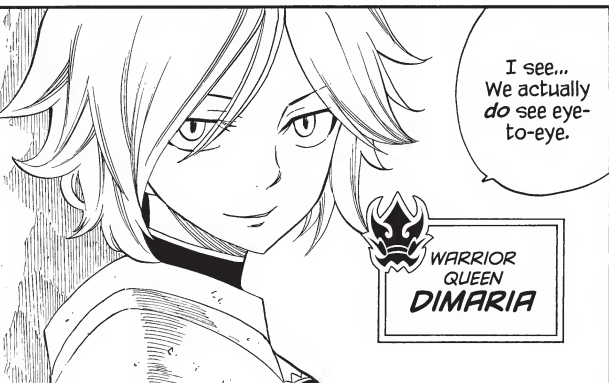

Brandish, the Nation Destroyer. I hear she isn't fond of battle, but apparently she possesses enough power to make nations vanish.

Huh? Well, I said that I disliked you first!

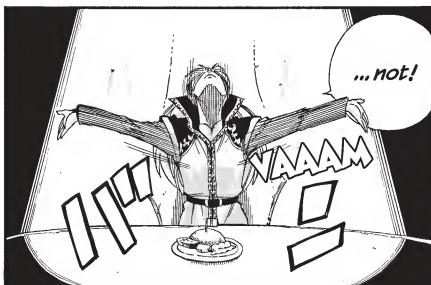

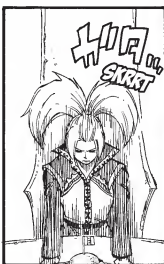

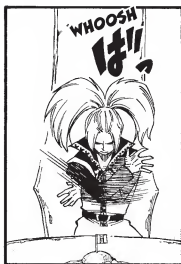

Don't mind Randi. Whatever she's thinking comes spilling right out of her mouth. That's why she's so disliked.

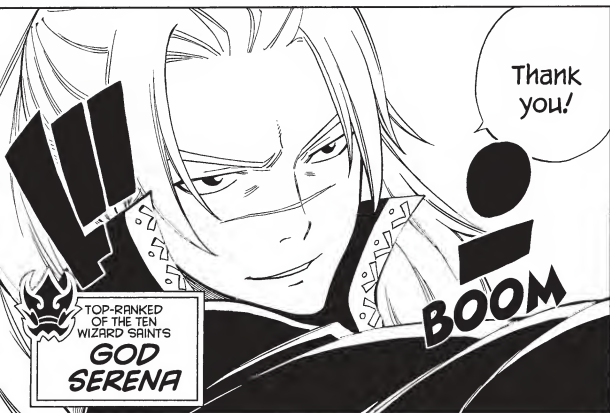

I see...
We actually *do* see eye-to-eye.

WARRIOR
QUEEN
DIMARIA

TOP-RANKED
OF THE TEN
WIZARD SAINTS

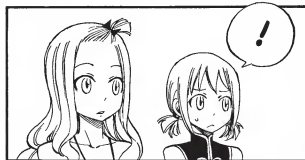

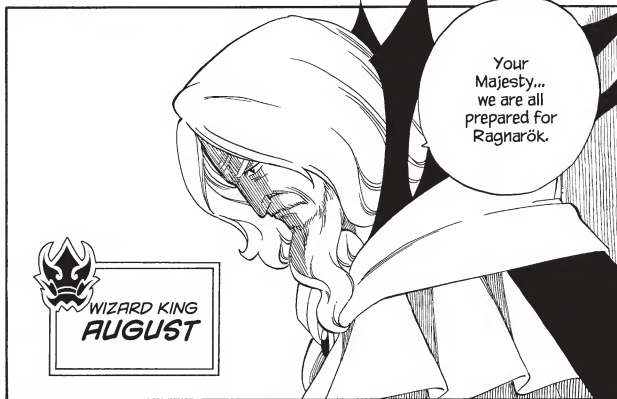

**GOD
SERENA**

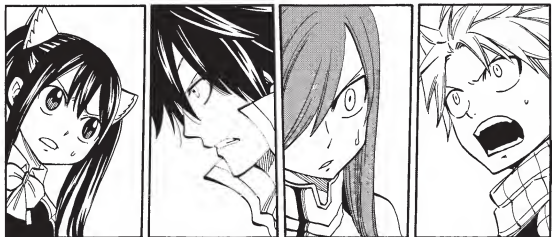

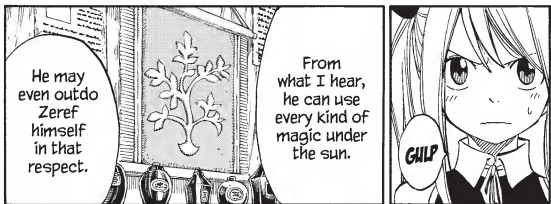

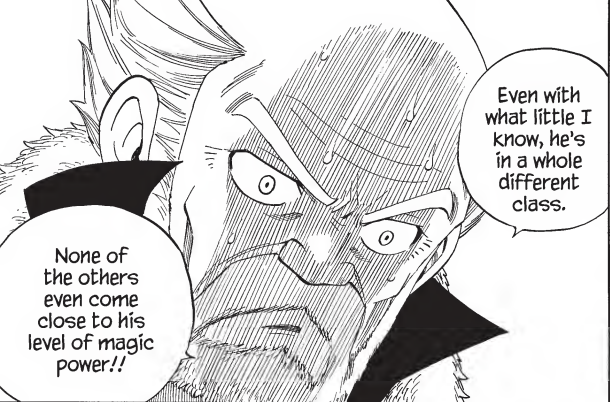

But I'm well
aware of his
strength.

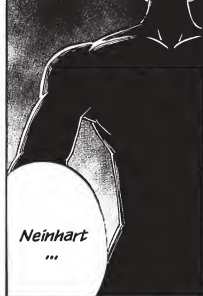

His
personality
is considered
to be a bit of
a disappoint-
ment.

*The top-
ranked
Wizard
Saint,
God
Serena.*

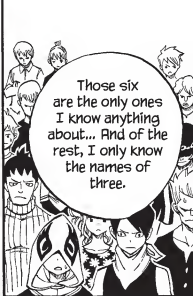

Neinhart

...

Bradman

...

Those six
are the only ones
I know anything
about... And of the
rest, I only know
the names of
three.

That's
a high
crime...

And
Wall.

In other
words, we're
to retrieve the
body of your
former lover.

*JUDGE
WALL EEHTO*

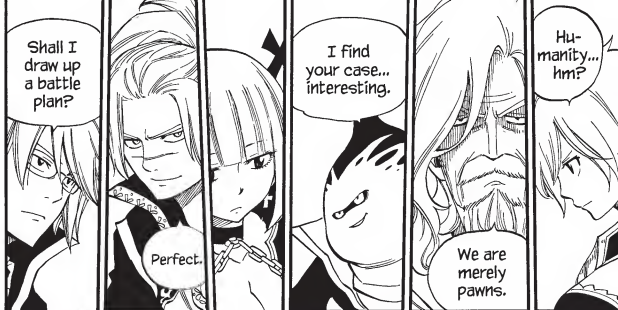

Also, it
isn't our only
objective.

No...
Fairy Heart is
a magic. Not a
person.

**Our other
objective
is the
annihilation
of Ishgal.**

**Just this
once,
humanity
must be
wiped
out.**

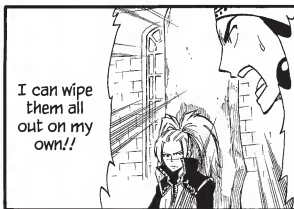

This is
an all-out
attack.

Zeref will
strike with
everything
he has.

If so, that
would be fine...

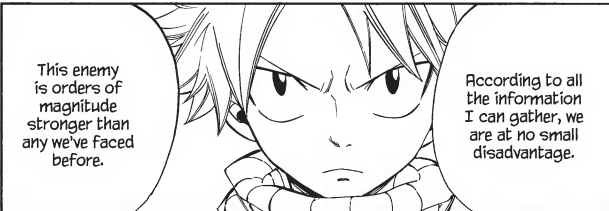

I can wipe
them all
out on my
own!!

Are you
outta yer mind?!
I got enough
power to do this
whole thing! This
is the continent
where a wimp like
God Serena is
the strongest!

I have my reasons.

However, we *will* be combining all our forces for the attack.

This enemy is orders of magnitude stronger than any we've faced before.

According to all the information I can gather, we are at no small disadvantage.

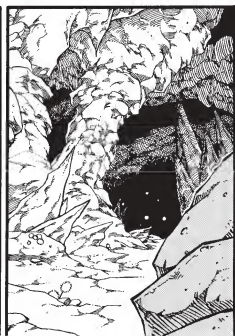

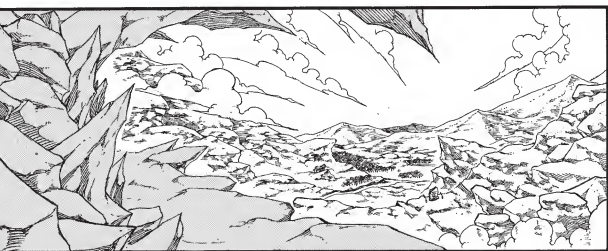

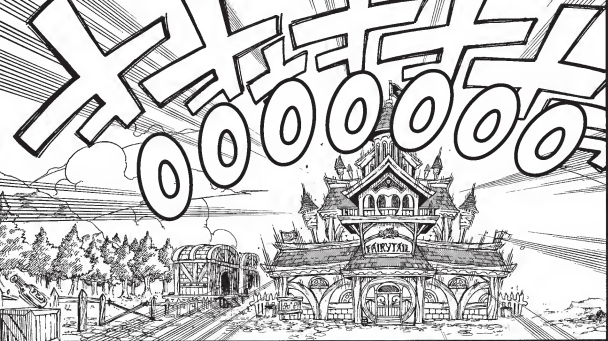

So prepare all troops to move out!

The Dragon King Festival will soon begin.

Let's show them how strong our guild is!!!!

Therefore, we have to fight our way through this with bravery and the strength of our bonds!

The
Dragon
King
Festival
begins.

I will
devour
every-
thing.

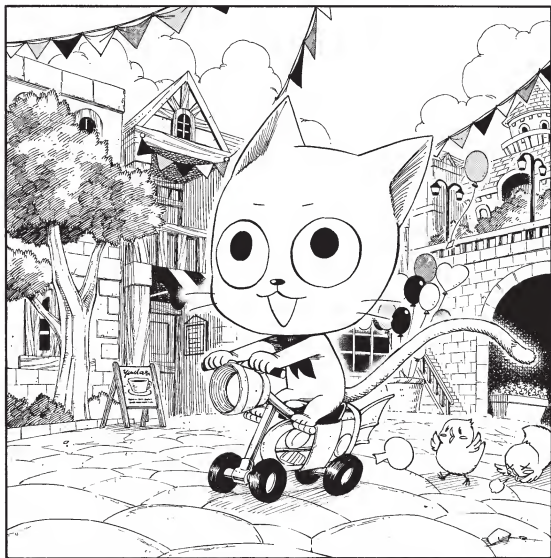

For I am
the Dragon
King!!
I reign
supreme!!!!

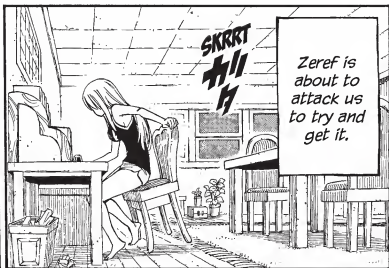

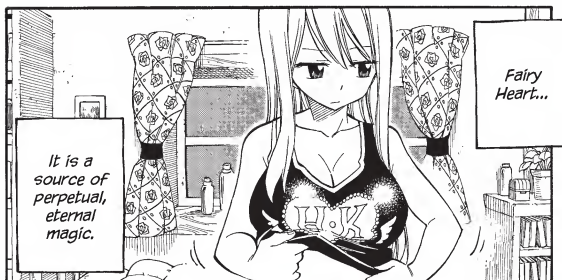

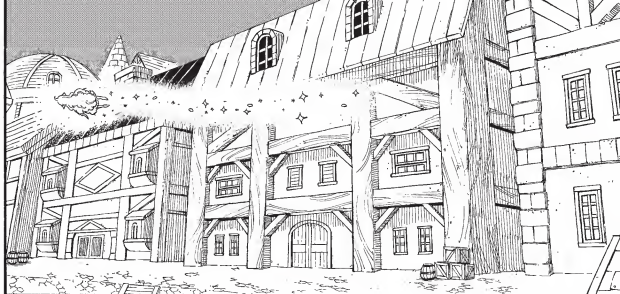

I am

We aren't either!

!

Besides, unlike you two, I'm not excited about another battle.

Is this really the time for games? We leave tomorrow for the enemy's projected landing point.

What I like is pitting my strength against others'. I don't like murdering people.

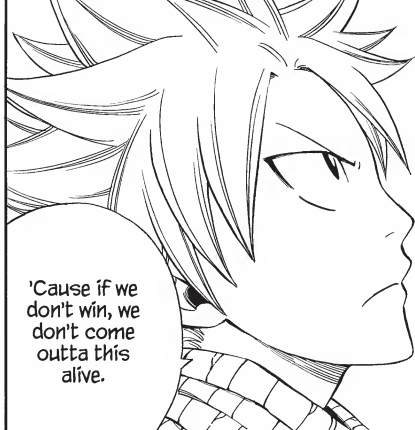

Sure, I like a good punch-up, but don't get me wrong.

But this time, it ain't gonna be like that.

Ain't no better feeling than goin' at it with all you got and seeing who comes out on top!

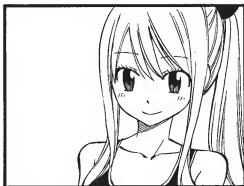

'Cause if we
don't win, we
don't come
outta this
alive.

I'll do
whatever
it takes to
win.

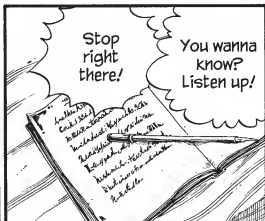

Aye!

And when the fightin's done, we got something we wanna do, right?

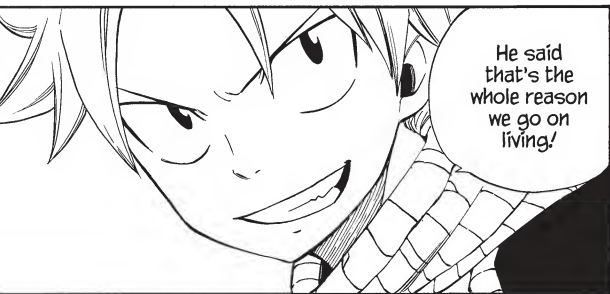

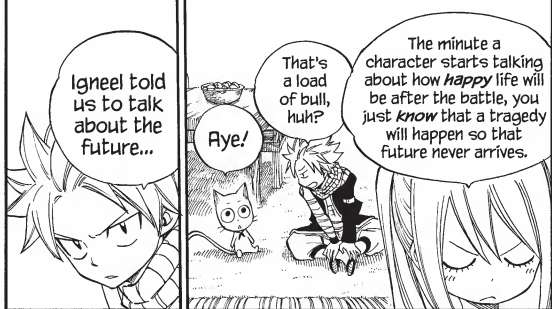

What's *that* mean?

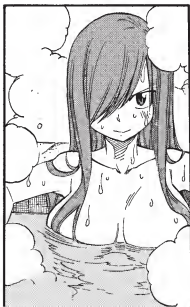

I don't want to hear it. In novels, that's a sure sign the person's going to die.

Stop
right
there!

You wanna
know?
Listen up!

Which means I
am also the one
who dragged
them into this
battle...?

And we're
grateful!

Come to think
of it, I was the

"I got

Juvia

So let me
focus on the
fight ahead,
okay?

I have a
secret plan
of my own.

So just you
wait, Zeref...
and E.N.D....

Are they coming from the north, south, or even the west...? If we knew where they'd be landing, we could make better plans.

Hey, I made this top-quality radar myself!!

Can we... really count on that?

Still no sign of them anywhere in Fiore.

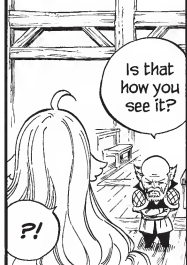

Warren, any enemy movements?

I was observing everyone prior to the battle.

First Master...

Conventional wisdom would have them feinting a northern invasion while they land their main force in the south.

FWOOSH

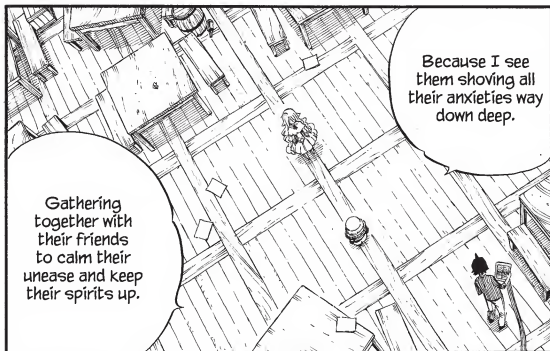

Is that
how you
see it?

?!

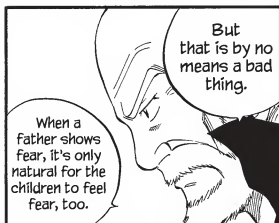

Despite the
situation,
no one is
worried.

We have
very tough
comrades
here.

Because I see
them shoving all
their anxieties way
down deep.

Gathering
together with
their friends
to calm their
unease and keep
their spirits up.

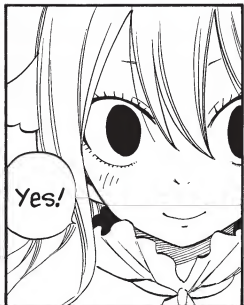

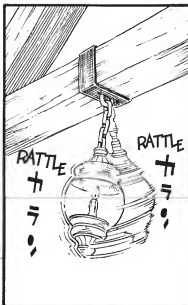

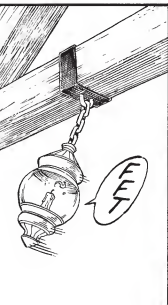

But
that is by no
means a bad
thing.

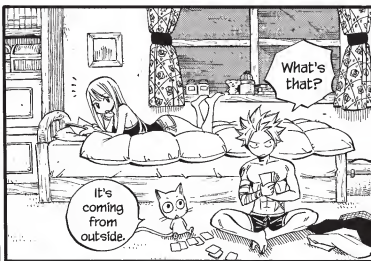

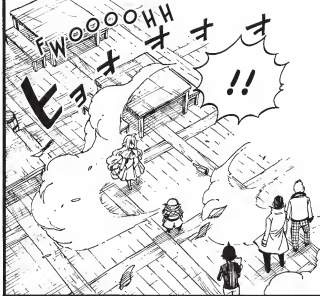

When a
father shows
fear, it's only
natural for the
children to feel
fear, too.

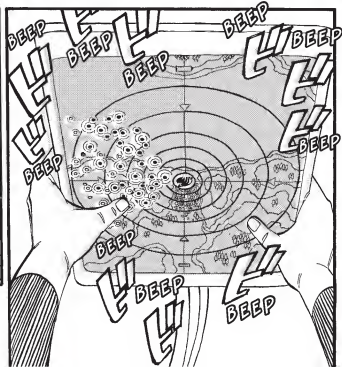

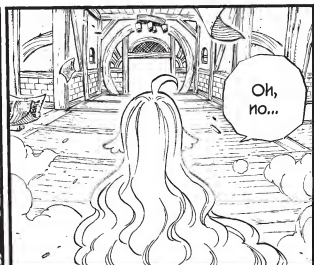

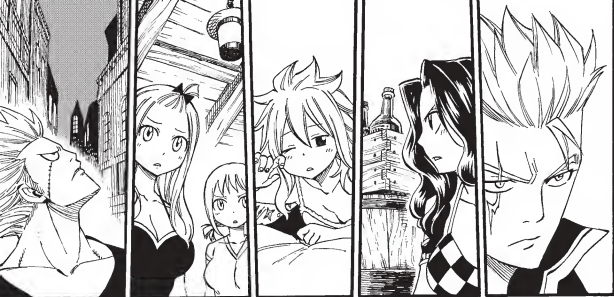

...even if his legs tremble, he must plant his feet on the ground and make a stand. That's a father's job!

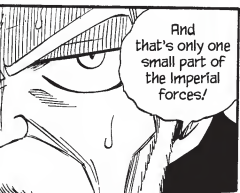

The guild would have a tough time against even one!

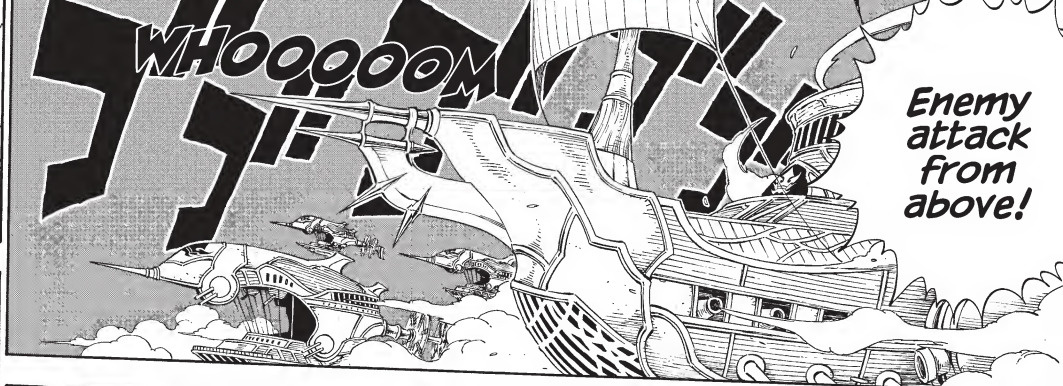

What the...look at 'em all!

TO BE CONTINUED

Afterword

In this volume, the story from Mavis's flashback scene are from the events in "Fairy Tail Zero." Of course, I wrote it so that you don't have to read "Fairy Tail Zero" to understand the story, but if you do, I think you'll get more out of the story.

I had decided on the relationship between Mavis and Zeref quite a long time ago, but it seems that there were an awful lot of fans who were surprised by it, and that makes me very happy! I wanted to draw the kiss scene between Zeref and Mavis in more detail, but with Mavis's body the way it is, I eventually came to the conclusion that doing it in silhouette would be both more beautiful and effective. So that's the way it came out. By the way, no matter what Mavis may look like on the outside, in terms of age, she was very much an adult.

After accidentally creating Fairy Heart, Precht then went on to research magic, and that was when he happened to touch on black magic. And unfortunately, he went on to establish Grimoire Heart through the knowledge he gained in researching Fairy Heart; the connection was "heart."

Now that I've explained quite a few of the mysteries I've foreshadowed in the series, we're now beginning the final battle. And I think this arc will have the biggest twists and turns. What with Natsu, Zeref, Mavis, Fairy Tail's members, Acnologia, and the mixture of all sorts of feelings and emotions, I'm sure it's going to build to something spectacular!!

So I hope you all stay tuned!!

I heard that you can draw on an iPad when you have an iPad Pro and an Apple Pencil. I tried it right away—here's the result.

I still don't know all the ins and outs of the program, but being able to sketch on a whim, anywhere you go, is pretty neat!

It kinda makes me want to try every new digital drawing tool the moment it comes out.

I just know that the digital paint tool of my dreams will come out any day now! It gets me all pumped up!

Translation Notes:

Japanese is a tricky language for most Westerners, and translation is often more art than science. For your edification and reading pleasure, here are notes on some of the places where we could have gone in a different direction with our translation of the work, or where a Japanese cultural reference is used.

Alvarez Empire

Previously, in volume 52, the Alvarez Empire was translated as the "Albareth" Empire, due to the Japanese pronunciation. However, it has since come to light that the correct English spelling is "Alvarez." We apologize for any confusion.

Page 49, Gaebolg (Precht's last name)

Gae Bolg is a famous weapon in the Irish myth, *The Ulster Cycle*. Its name has many possible meanings such as: spear of death, spear of mortal pain, notched spear, and belly spear. According to the legend, it was made from the bone of a sea monster and given to the hero Cu Chulainn by his teacher who taught him how to fight. It is a recurring weapon in the *Final Fantasy* video game series.

Page 120, Wall Eehto

Wall Eehto is a play on the Japanese term *warui hito* which translates to "bad guy." This translation romanized his name rather than create a name out of English such as "Vill Inn" or something similar.

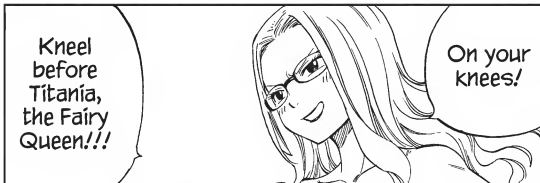

Page 153, Jutsu-shiki

As noted in the translator's notes for Volume 13, Jutsu-shiki is taken from two Japanese words, *jutsu* meaning 'technique,' and *shiki* meaning 'ceremony' or 'style.' Fried's magic seems to be based on traditional Japanese Buddhist and Shinto practices of hanging wards to protect against evil.

Page 168, Titania

Titania is best known as the Queen of the Fairies in Shakespeare's *A Midsummer Night's Dream*, as the estranged wife of Oberon and the one who falls in love with the character Bottom, even when his head is changed to that of a donkey's. Shakespeare got her name from the ancient Roman poet Ovid and his poem, *Metamorphoses*.

Page 175, Bakel

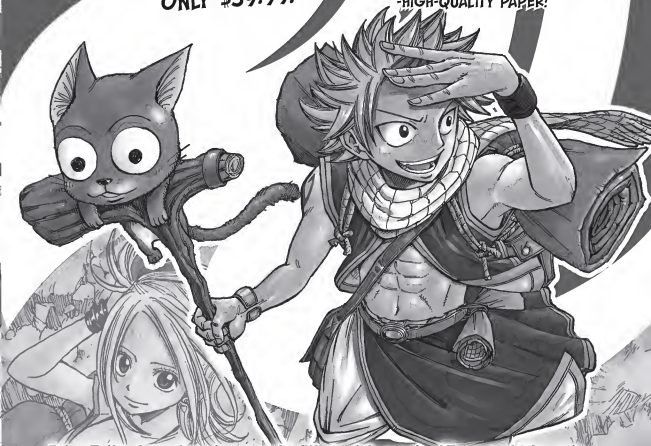

Bakel is written in Japanese as *bakeru*, which is a Japanese word meaning 'to change shape.' It most commonly refers to supernatural shape-shifters who haunt, deceive, or cause trouble in the human world.

TOMARE!

You're going the wrong way!

Manga is a completely different
type of reading experience.

To start at the *beginning*,
go to the *end*!

That's right! Authentic manga is read the traditional Japanese way—from right to left, exactly the *opposite* of how American books are read. It's easy to follow: Just go to the other end of the book and read each page—and each panel—from right side to left side, starting at the top right. Now you're experiencing manga as it was meant to be!
